Behavioral Health  
College Partnership

# Northwell Health

## Behavioral Health College Partnership

- Discreet and sensitive ambulance transport with psychiatric and college expertise
- Psychiatric emergency assessment of college students at Emergency Department that emphasizes efficiency and family and school input
- Specialized groups focusing on college student related concerns
- State-of-art Young Adult Inpatient Unit for young adults, specializing the college population
- Post-hospitalization outpatient services for college students with BHCP outpatient program introduction and verbal handoffs between providers to prevent relapse

# Crisis Response

Public Safety arranges transportation to Hospital ER

*RD contacts student's emergency contact*

Center for Counseling & Consultation or (and On-Call

- On call counselor calls Attending MD at NortheWell Health
- Call/email College Track Program administrator
- Disposition/Confirmation student was admitted

# Crisis Response

## *Hospitalization & Return to Campus*

Center for Counseling &  
Consultation

### **On-going contact with NorthWell Health to:**

- Exchange information (*if appropriate releases are received*)
- Facilitate aftercare
- Coordination return to campus or Health Related Leave

# Crisis Response

## *Hospitalization & Return to Campus*

### *Trespass clearance appointment*

- Ensure that the student is no longer an imminent danger to self or others.
- To assess the student's current level of functioning and readiness to return to the University.
- To confirm that a treatment plan is in place.
- After conducting this appointment, the staff member will notify the Dean of Students and Office of Judicial Affairs staff that the student has been cleared to return.
- ✓ *The student are asked to sign a "mandated assessment" consent form, so Public Safety and the Dean of Students can be notified that the student has completed the trespass clearance appointment.*
