

## Suicide among college and university students in the United States

Date: 2014(For resources, this is the publication date. For programs, this is the date posted.)

### Information

Type: Fact Sheet/Issue Brief  
Author: Suicide Prevention Resource Center (SPRC)  
Publisher: Education Development Center, Inc. (EDC)

### See This Resource

[Suicide Among College Students \(429.38 KB\)](#) [1]

This information sheet summarizes the data available on suicidal thoughts, attempts, and deaths, and describes risk and protective factors that are common among college and university students. Since there are no national databases or registries, and no single study compiling and analyzing suicide deaths, attempts, and/or thoughts among college and university students, the data presented here are from sources that have been selected as the most comprehensive and up to date.
