

## Publications and information products from the National Center for Health Statistics (NCHS)

### Information

Type: Website

Author: National Center for Health Statistics (NCHS), Centers for Disease Control & Prevention (CDC)

Publisher: Centers for Disease Control & Prevention (CDC)

### See This Resource

[NCHS information products](#) [1]

This website provides a portal to CDC's suite of print and electronic reports and graphics associated with collected health and vital statistics as well as national health surveys. Some, such as the NCHS Data Briefs, provide data pertaining to a specific topic. Another example, Deaths: Final Data of the National Vital Statistics Reports reports on a number of causes of fatalities and also provides details about suicide deaths such as means, sex, state, rank among causes of death and other useful information.
