SAMHSA Performance Accountability & Reporting System (SPARS)
New Grantee Training

National Strategy for Suicide Prevention
Zero Suicide

Thursday, April 5, 2018
2:00 to 3:00 pm EST
If you are experiencing technical difficulties, please press *0
AGENDA

• Overview of SPARS
• Key Program Guidances
• Operational Definitions of Required Indicators
• Annual Performance Goals and Budget Estimates
• Quarterly Data Entry Reporting Period & Deadlines
Welcome!

Webinar is being recorded

Webinar recording and slides will be posted at

SPRC website at [www.sprc.org](http://www.sprc.org)
Key SPARS Resources

• **Cheat Sheet**: Required Indicators

• **2-Page Step by Step Checklist**: Setting & Entering Annual Goals & Budget Estimates

• **SPARS E-Bulletins (generated from your GPO)**
Overview of SPARS
What is SPARS?

SAMHSA Performance Accountability & Reporting System

- web-based, consolidated, centralized data platform
- Replaces “TRAC”
- Allows SAMHSA to measure programs and grantee performance
- grantees report data only on “GRANT FUNDED” activities
SPARS has *two* program components

1. **Annual Goals and Budget Information**
   - Submit goals/budget info just once; Due: May 5
   - Modify future goals once a year, if needed

2. **Quarterly Data**
   - Submit data every 3 months
   - Second Quarter Data: Due May 5
Required Indicators
Indicators capture IPP activities and quantify a grant program’s achievements

**Infrastructure**
- Policy Development
- Partnership/Collaborations
- Accountability
- Types/Targets of Practices

**Prevention and MH Promotion**
- Screening
- Outreach
- Referral
- Access
NSSP- 11 IPP Indicators

PD1, PD2, PC1, A3, A4, T2, O1, O2, S1, R1, & AC1

Zero Suicide- 6 IPP Indicators

WD2, WD5, T1, S1, R1, & AC1
SCREENING, REFERRAL, AND ACCESS
NSSP AND ZERO SUICIDE

S1: Screening
R1: Referral
AC1: Access
The number of individuals screened for mental health or related interventions
S1: Screening: Who are you counting?

**Count**

- Number of Individuals Screened for mental health or related intervention
- Screened for initial identification of those who may be in need of specific intervention

**Do Not Count**

- Number of interventions
- Ongoing monitoring to assess individual progress and status
R1: REFERRAL
NSSP & ZERO SUICIDE

R1. The number of individuals referred to mental health or related services
**R1: Referral: Who are you counting?**

**NSSP & ZERO SUICIDE**

### Count

- Number of *Individuals* referred for mental health or related services

### Do Not Count

- Number of Services
- Ongoing monitoring to assess individual progress and status
AC1: Access
NSSP & Zero Suicide

AC1. The number and percentage of individuals receiving mental health or related services after referral

- **Numerator**: Number referred and receiving services that quarter.
- **Denominator**: Total number referred that quarter.
AC1: Access
NSSP & ZERO SUICIDE

Who are you counting?

Count

• Number of Individuals receiving mental health or related services after referral

Do Not Count

• Number of Services
• Ongoing monitoring to assess individual progress and status
Setting and Entering Annual Performance Goals
Purpose of Annual Performance Goals

1. Quantify what you plan to accomplish with your grant
2. *Tied to your workplan:* Realistic & Attainable!
3. Used for performance and program management
4. Developed in collaboration with your GPO

*It is a “Goals-Based” type evaluation used to assess & monitor the extent your project is meeting its goals*
What is an Annual Performance Goal?

It is a *Numeric Value* set for each Indicator

S1: Screening
R1: Referral
AC1: Access
Enter a numeric Annual Goal for each IPP Indicator for each Grant year (NSSP and Zero Suicide)

• For S1, enter the total number of individuals that your grant plans to screen for each grant year

• For R1, enter the total number of individuals your grant plans to refer to mental health or related services for each grant year

• For AC1, enter the percentage of individuals expected to be receiving mental health services after referral for each grant year
Enter a **Zero “0”** for Indicator with **no set goals**

Example: S1

If you do not have a goal of screening individuals for mental health services or related interventions for a given grant year,

Enter a goal of **Zero “0”** for S1 for that given grant year
How to set your Annual Performance Goals

1. Review the stated goals/objectives in your application program plan. What are you planning to do and achieve?

2. Know the definitions of the required IPP indicators:
   - **Zero Suicide (6)**: WD2, WD5, T1, S1, R1, and AC1
   - **NSSP (11)**: PD1, PD2, PC1, A3, A4, T2, O1, O2, S1, R1, and AC1

3. Identify which IPP indicator applies to your stated goal for each grant year

4. Count the number of activities you plan for each grant year for each IPP Indicator to calculate your goals

5. Identify which IPP Indicator(s), if any, is NOT a Goal of your project
Entering Budget Estimates into SPARS
Purpose of Entering Budget Estimates into SPARS

- Estimate how much of your annual Federal budget you plan to spend on the four SPARS Budget Categories.
- Estimates are entered for each budget grant year; not cumulative.
- Budget is not directly linked to the IPP Indicators.
There are 6 Budget Categories on the SPARS Screen

Create Budget Estimates for

1. Infrastructure Development
2. Data Collection/Evaluation
3. MH Promotion/Prevention
4. Grants Administration

DO NOT Create Budget Estimates for

5. Services Provision
6. Technical Assistance

Enter a ZERO “0” for these categories all grant years
As you develop a budget estimate, consider the following:

✓ The type of activities you plan to spend for each category:

1) Infrastructure development
2) Data Collection/Evaluation  *(estimate cannot exceed 20% of annual grant award)*
3) MH Promotion/Prevention
4) Grants Administration

✓ Include all direct & indirect costs associated with each budget category. It is okay to estimate direct and indirect costs.

✓ DO NOT include: in-kind contributions, match costs, or carry over dollars
Getting Started:
Resources You Need to Create Budget Estimates

1. Review Proposed Approach & Work plan of your Application

2. Review your budget in application

3. Review your Notice of Award (NoA) for total Federal award amount for each grant year

4. Know the four SPARS Budget Categories
## Sample Budget (NSSP)

Save and Quit or Submit for Approval

Instructions:

Please review your Goals data. Select one of the following:

- "Cancel" to cancel out of your data entry. (Changes will not be saved)
- "Previous" to go back to previous sections to make any changes.
- "Save and Quit" to save your data and exit the Annual Goals form. (Note: data will not be submitted for approval until "Submit for Approval" button is selected.)
- "Submit for Approval" to submit your data for your GPO to approve. Please note, once you select "Submit for Approval", the form will be locked. If you need to unlock the form, please contact the SPARS Help Desk.
Log into SPARS and enter Annual Goals required Indicators for all grant years

After you enter Annual Goals, enter Budget Estimates

Enter budget estimates for all grant years

Click on “Submit to GPO” for review/approval

</tbody>
</table>
Every Quarter, Grantees are required to log into SPARS and do the following:

- Enter data only on **completed activities in the quarter** it was completed

- DO NOT enter data on activities that are **“in progress”** or **“pending”**

- Nothing new to report for an Indicator? Click on “No New Results” which is a valid data entry

- After you submit your data, your GPO will review, approve & disapprove or request revisions

- Make edits and revisions to your data, as requested
Welcome to SPARS!

- **SPARS Help Desk**
  Provides technical support with navigating screens, user account, username, password resets/information

  ✓  **Phone:** 1-855-796-5777
  ✓  **Email:** SPARS-support@rti.com
Thank You!

Webinar recording and slides will be posted at

SPRC website at www.sprc.org
SPARS is used for Performance Measurement

**SPARS Performance Management**

- Monitors how well we’re doing in reaching goals
- Board shallow snapshot
- Indicators to measure progress
- Early warning system to management & tool for public accountability
- Continual measurement and reporting of indicators

**ICF national outcomes Evaluation**

- Tells us why things are going well or poorly
- Broader range of information, both quantitative and qualitative
- Overall assessment of whether program works and how to improve results
- Use of social research methods to systematically investigate the effectiveness of programs
Behavioral Health is Essential To Health

Prevention Works

Treatment is Effective

People Recover
